## *Taste of Connemara*

Food is central to the Delphi Resort experience. We offer delicious, seasonal, locally sourced food, which is no surprise as the west of Ireland offers a rich abundance of fresh, seasonal produce.

The 814 Restaurant offers a casual, relaxed dining experience while overlooking the rugged Connemara landscape. Mweelrea (Maol Réidh in Irish, meaning 'bald hill with the smooth top') is Connacht's highest peak, standing 814m high and is the focal point of the Restaurants' panoramic views. Delphi Resort is committed to offering seasonal menus that draw their inspiration from the rich abundance of locally produced meat, fish, poultry and vegetables. We also offer a carefully curated wine selection to complement particular dishes, so you'll always find the perfect accompaniment to your meal.

The 814 Bar is the perfect spot to enjoy a leisurely drink while relaxing and enjoying the surrounding views. Ireland is known worldwide for its most famous drink, Guinness. Yet, brewing in Ireland has a long history and there are a lot of other delicious local craft beers, quality Irish whiskeys and spirits that are worth sampling.
